## **FOR IMMEDIATE RELEASE November 24, 2008**

Operation Care Package relies on patriotic Americans to help them continue their efforts of making sure that no Hero serving our country is forgotten.

This is especially true of the fast approaching Holiday Season with so many of our Troops far from home.

Their goal is to reach 10,000 Troops with Christmas Care Packages. The Darien-Woodridge Fire District is participating this year to help them reach their goal.

Please visit [www.operationcarepackages.org](http://www.operationcarepackages.org) and see how you can help.

*Firefighter / Paramedics: Robin Skamser, Erik Baran, Shawn Lamb and Jeremy Solana*
