### Fire District Open House

The Darien-Woodridge Fire District is hosting their annual Fire Prevention Week Open House on Wednesday, October 7, 2008, from 5 – 8 PM. The theme for this year's Fire Prevention Week is Stay Fire Smart! Don't Get Burned!

Fire engines and an ambulance will be available for people to see and even sit in. Firefighter gear will also be available to try on, so bring a camera! Also on display will be fire extinguishers, smoke detectors, and carbon monoxide detectors. Adults can get their blood pressure taken, and kids will have games to play. On display will be "Things That Burn", a collection of items damaged from fires.

In addition to the Fire District there will be other displays from NICOR, Good Samaritan Hospital, and the Darien Police Department, who will be conducting child safety seat inspections on a first come first served basis.

There will be plenty of handouts available for everyone, and light refreshments will be available.
