Structure Fire

On June 26, 2017 shortly before 2:00 p.m. the Darien-Woodridge Fire District responded to the report of a structure fire at 7317 Woodward Avenue, Woodridge in the Windsor Lakes Apartments.

Upon arrival the crews found a small amount of fire in a third floor stairwell and hallway that had been extinguished by occupants using existing extinguishers in the building. Crews on the scene checked for extension and ventilated the building which remains habitable. The damages were estimated to be approximately \$5,000 and the cause of the fire remains under investigation, and there were no civilian or firefighter injuries.

Due to the nature of the fire, the Office of the State Fire Marshal, the Bureau of Alcohol, Tobacco, and Firearms, and the DuPage County Fire Investigation Task Force were called to the scene to assist in the investigation.

The Darien-Woodridge Fire District was also assisted on the scene by Lisle-Woodridge, Pleasantview, and Tri-State Fire Districts, and the Downers Grove and Hinsdale Fire Departments, as well as other fire investigators from other departments within the county.
